RONAL Bathrooms

The art of modern bathrooms.

RONAL Bathrooms is setting new standards in bathrooms and wellness solutions. Under the roof of RONAL Bathrooms four brands are sharing the same passion for technology, craftsmanship, innovation and design with absolute commitment to the highest quality.
The common mission for our customers: we create your unique bathroom and wellness experience.

Individual and modern shower solutions, high-end in quality, functionality and design under the brands RONAL and KUDOS are the core competence of RONAL Bathrooms. The elegant Italian bathroom furniture of KAROL brand and the wellness products under the brand of GLASS1989, also made and designed in Italy, delight and complete the bathroom and wellness experience.

RONAL offers a comprehensive portfolio of high quality and modern shower solutions with shower doors, enclosures and trays for every bathroom in any measure. Crafted for wellbeing: RONAL shower solutions aim the perfect combination of functionality, comfort and design.

GLASS1989 specialising in wellness and relaxation with its top-of-the-range wellness solutions. The range of products on offer is comprehensive, with a strong Italian design: indoor and outdoor spas, saunas, hammams, multifunctional showers, whirlpool and design bathtubs.
Glass1989 provides ultimate wellness experiences both for domestic and professional use.

KAROL has always cultivated Italian craftsmanship with a special focus on contemporary design excellence and high manufacturing quality standards. Specialising in elegant, high-end bathroom furniture, the brand also offers washbasins. All KAROL products are designed and manufactured in Italy.

KUDOS, the British brand and high-quality manufacturer of shower doors, enclosures and trays, combines innovative design and excellent engineering for its shower solutions. Established in 1999 KUDOS Showers have designed and manufactured high quality showering products for over 25 years.

GLASS1989 design bathtubs

Stylish, distinctive and comfortable, GLASS1989 bathtubs play a central role in the bathroom and are true design elements with a modern look and contemporary finish.

They are made of MineraLite, HardLite or acrylic - materials that meet every requirement. Available for wall, corner, and freestanding installation, these bathtubs combine sophisticated aesthetics with outstanding durability, are easy to clean, and ensure maximum hygiene.

Materials

ML MineraLite

Material composed of acrylic and mineral resins, with a gelcoat surface finish that provides the product's outer appearance (smooth or textured) and offers protection, making it resistant to wear and unchanged over time.

HL HardLite / Solid Surface

Solid surface is composed of aluminum trihydrate and acrylic or polyester resin. It is a non-porous, smooth, and silky material offering high functional and aesthetic performance.

AC Acrylic

A material of unquestionable quality that has been used for years in bathrooms, acrylic offers a durable, glossy, seamless, and easy-to-clean surface. It is combined with a fiberglass-reinforced polyester structure to ensure strength and high performance.

Momoa

Large, majestic, with its circular shape this bathtub embraces the surrounding space and furnishes it in a distinctive way.
