

This unique fair clay countertop washbasin creates the ultimate statement look. Featuring a single centre hole for use with a single lever tap, it is the ultimate modern luxury: a fusion of sleek design and impeccable functionality. The Armani/Roca Baia basins come in a range of seven finishes that not only adapt to any décor, but can also be used to create a unique ambience in any bathroom space. This basin is available in seven sophisticated finishes: Greige, a balance between grey and beige, is a leitmotif in Giorgio Armani's creations and is considered by many to be the ideal shade in interior design. Dark Metallic can be used to create innovative colour accents and add a distinctive flair to the bathroom suite.

Shagreen Dark Metallic is a texturized version of the Dark Metallic that mimics sharkskin and confers an unusual warmth to dark surfaces.

Matt Gold adds an air of luxury to any bathroom suite. It is treated with PVD technology, a state-of-the-art process that bonds the finish to the basin to create a durable surface.

Shagreen Matt Gold is the texturized version of Matt Gold, and emanates an exclusive elegance to create the definitive touch of luxury in any bathroom space.

Off-White adds a twist to a classic shade and is the height of elegance in any space.

Glossy White is among the most workable finishes and adds a crisp, fresh look to any bathroom space.

The Armani/Roca finishes are hand-crafted, and any possible variations in tone and texture increase the bespoke feel and unique personality of each piece.
