Sote

The SOTE collection of mirrors is more than just a decorative element, they will fit perfectly into any space, adding class and unique shine. The SOTE collection includes bathroom mirrors in three classic shapes – rectangular, round and square. It is available in a variety of sizes, allowing it to fit perfectly into your space, regardless of its size or style. Sote mirrors are a perfect combination of minimalism and classic elegance, which will emphasize the character of any interior.
