Fluent - Self-closing wall-mounted one-water angle shut-off cock for urinal. ECO

5A9D24C00

Link elbow urinal-flush valve kit

506501000

## Proton

With its minimalist design, Proton is also the first Rimless urinal in our catalogue. Its design with thin and well-defined walls, without rim, prevents dirt from building up and allows for easy cleaning. Available in electronic version that integrates the motion sensor for contactless flushing, and in conventional top or rear-feed versions for mechanical flush valves.
