

The immaculate curves of this unique suspended lavatory enhance the sophisticated look of this discreet unit. The absence of visible fixtures thanks to the Hide-Fix system, coupled with the smooth, silky feel of the porcelain achieved with exclusive manufacturing technology complete a design of impeccable elegance.

The WC is available in four finishes to adapt to any bathroom suite: the smooth Glossy White adds a crisp, fresh look to the piece; Off-White offers an updated twist on a classic, elegant finish; warm Greige lends a discreet, sophisticated air; and the Nero finish adds a bold, contemporary feel.
